RE: ATTORNEY VACATION LETTERS

Dear Counsel:

Please be advised, that until adoption of local rules by the Grayson County District Courts or further modification by this Court, the Court's policy with respect to attorney vacation letters is the Court will allow up to four (4) weeks of designated vacation time. The Court will attempt to work with attorneys in the event there are other conflicts. However, in the event an accommodation cannot be made, vacation letters that claim more than four (4) weeks will not automatically be honored.

Sincerely,

Brian K. Gary
