INDEPENDENT AUDITORS' REPORT

Grayson County Community
Supervision and Corrections Department
Sherman, Texas

Report on the Financial Statements

We have audited the accompanying combined financial statements of the Grayson County Community Supervision and Corrections Department, and the combining and individual funds of Grayson County Community Supervision and Corrections Department as of and for the year ended August 31, 2013, and the related notes to the financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Grayson County Community Supervision and Corrections Department, as of August 31, 2013, and the results of its operations for the year then ended, in conformity with the financial reporting provisions of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD) as described in the notes to the financial statements. Also, in our opinion, the combining and individual funds referred to above present fairly, in all material respects, the financial position of each of the individual funds of Grayson County Community Supervision and Corrections Department, as of August 31, 2013, and the results of operations of such funds for the year then ended in conformity with the financial reporting provisions of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD) as described in the notes to the financial statements.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of the financial reporting provision of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD), which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD). Our opinion is not modified with respect to that matter.

Emphasis Matter

As discussed in Note 1, the financial statements present only the Grayson County Community Supervision and Corrections Department, and are not intended to present fairly the financial position of Grayson County, Texas and the results of its operations in conformity with generally accepted accounting principles.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated March 14, 2014 on our consideration of Grayson County Community Supervision and Corrections Department's internal control structure over financial reporting and a report dated March 14, 2014 on our tests of its compliance with certain provisions of laws and regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grayson County Community Supervision and Corrections Department's internal control over financial reporting and compliance.

Restriction on Use

This report is intended solely for the information and use of the management, others within the organization, Grayson County Community Supervision and Corrections Department, and the Texas Department of Criminal Justice - Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The accompanying financial statements include the revenue of the Grayson County Community Supervision and Corrections Department (CSCD) related to the receipt of funds administered by the Community Justice Assistance Division of the Texas Department of Criminal Justice from State Appropriations for the Basic Supervision Fund, Community Corrections Program Fund, Diversion Program Grant Funds, Treatment Alternatives to Incarceration Program Grant Fund, local fees collected for the use of the CSCD, and the expenditures of those funds.

The Grayson County Community Supervision and Corrections Department, a special purpose district of state government, was organized to provide certain adult probation services to judicial districts.

Basis of Accounting

Basis of accounting refers to the time at which revenues and expenditures are recognized in the accounts and reported in the statements. The accounts of Grayson County CSCD are organized on the basis of fund accounting. Under fund accounting, each fund is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts. Resources are allocated to and accounted for in a fund based upon the source of the funds and the purposes for which they may be spent and the means by which the spending activities are controlled. Revenues and expenditures are accounted for using either the cash basis of accounting or the modified accrual basis of accounting until the last quarter when the modified accrual basis of accounting must be used.

The modified accrual basis of accounting is followed in that revenues are recorded when susceptible to accrual; i.e., earned, measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities for the current period. Revenues received by October 31, 2013 for financial activity performed by August 31, 2013, are considered available. Also purchases for which the commitment has been established by August 31, 2013, are considered liabilities regardless of whether possession of these goods has been received by August 31, 2013, provided that the liability purchase is received and is paid for by October 31, 2013. Exception to this method of accounting is the recording of refunds to the State as reductions of Fund Balance.

Budgets (Accounting and Legal Compliance)

The budgets governing the funding to the programs are approved by the district judges and the criminal court-at-law judges with jurisdiction over the department in an open meeting and by the Texas Department of Criminal Justice - Community Justice Assistance Division. Only budget adjustment requests, at year end, received by September 30, 2013 will be reviewed and approved/disapproved by TDCJ-CJAD. TDCJ-CJAD will not accept any budget adjustments after September 30, 2013 for the previous fiscal year. Only budget adjustments approved by TDCJ-CJAD are referred to in performing the financial audit.

Encumbrance Accounting

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is utilized. All encumbrances not liquidated by October 31, 2013 became part of the subsequent year's budget.

Compensated Absences

It is the County's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Accrued sick pay benefits are lost upon termination. A liability for vacation and sick leave is not recorded in these financial statements.

2. FUNDING SOURCES – STATE AID

Basic Supervision Fund

This state funding is a per capita allocation based on statistics from the previous full calendar year. The per capita formula includes calendar year misdemeanor placements, direct felony and felony pre-trial cases. Funding is first allocated to misdemeanor placements for 182 days. The remaining funding is allocated to felons under community supervision and pretrial supervision based on the CSCD's share of the state total population of direct and pretrial felons. Basic Supervision is distributed only to CSCDs.

Government Code 509.011 authorizes TDCJ-CJAD to withhold Basic Supervision and Community Corrections funds from CSCDs that have over six (6) months of operating funds in their fund balance at the end of a biennium. TDCJ-CJAD may adopt policies permitting a CSCD to maintain reserves in amounts greater than otherwise permitted to cover certain costs. Excess reserves, if applicable, shall reduce the Basic Supervision funding to affected CSCDs normally in the second year of the biennium. TDCJ-CJAD may distribute these unallocated funds to other CSCDs.

Community Corrections (CC) Program Fund

This appropriation line item is allocation based. The funding is based on two equally assigned factors: the percentage of the state's population residing in the counties served by the Department and the percentage of all felony defendants in the state under direct community supervision by the Department. CSCDs are the only entities eligible for Community Corrections funds. The Texas Board of Criminal Justice rule, pursuant to Government Code, Chapter 509, Section 509.011 (f), creates a fixed 5% decrease limit between fiscal years. An upper limit is determined mathematically by available funding and the size and number of departments that reach the decrease limit. In the event that appropriations are inadequate to maintain all of the departments at the decrease limit, all allocations will be reduced proportionally relative to the previous fiscal year.

The Grayson County Community Supervision and Corrections Department has the following programs that fall under the Community Corrections Program:

- Intensive Supervision Program

Diversion Program (DP) Grant Funds

This discretionary appropriation line item funding is awarded on a competitive basis. The priorities for distribution are determined biennially. All requests are reviewed by TDCJ-CJAD staff, approved by management and then presented to the Judicial Advisory Council. Diversion Program funds shall not be used for Basic Supervision services.

The Grayson County Community Supervision and Corrections Department has the following programs that fall under the Diversion Program:

- Outpatient Substance Abuse

The Outpatient Substance Abuse Program is funded via a grant from TDJC-CJAD Diversion Program. The program funds a Licensed Chemical Dependency Counselor or Qualified Counselor to perform screening and assessment of probationers suspected of having a substance abuse disorder. The balance of the funds are used to purchase outpatient abuse services, both in individual and group modalities.

- Mentally Challenged Specialized Caseload

The Mentally Challenged Specialized Caseload Program is funded via a grant from TDJC-CJAD Diversion Program. This grant is paired with a grant from TDJC-Texas Correctional Office on Offenders with Medical or Mental Impairments to the Texoma Community Center. The Texoma Community Center and the CSCD coordinate on identifying probationers with mental health Axis 1 diagnosis of Schizophrenia, Bipolar Disorder, or Major Depression as defined by the Diagnostic Statistical Manual Version IV. The program is designed to provide intense but supportive care in order to avoid the need to revoke these offenders to the Correctional Institute Division.

Treatment Alternative to Incarceration Programs (TAIP) Grant Fund

This discretionary appropriation substance abuse funding is awarded on a competitive basis. The priorities for distribution are determined biennially. All requests are reviewed by TDCJ-CJAD staff, approved by management and then presented to the Judicial Advisory Council. TAIP funds shall not be used for Basic Supervision services. In accordance with Chapter 76 of the Government Code, TDCJ-CJAD establishes standards of operation for funding the CSCDs with the Treatment Alternative to Incarceration Program (TAIP). The Grayson County CSCD makes an annual application for grant funds from the Community Justice Assistance Division. As a part of the application process, the Department enters into a contract with the Community Justice Assistance Division. The contract places specific restrictions on the use of grant funds and requires, among other things, an annual audit of contract revenue and expenditures. For the fiscal year ended August 31, 2013, the Department received \$83,300 under the Treatment Alternative to Incarceration Program Grant.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Grayson County Community
Supervision and Corrections Department
Sherman, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Grayson County Community Supervision and Corrections Department, as of and for the year ended August 31, 2013, and the related notes to the financial statements, which collectively comprise of the Grayson County Community Supervision and Corrections Department's financial statements, and have issued our report thereon dated March 14, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Grayson County Community Supervision and Corrections Department's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Grayson County Community Supervision and Corrections Department's internal control. Accordingly, we do not express an opinion on the effectiveness of Grayson County Community Supervision and Corrections Department's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Grayson County Community Supervision and Corrections Department's financial statements are free of material misstatement, we performed tests of its compliance with certain provision of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Grayson County Community Supervision and Corrections Department's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grayson County Community Supervision and Corrections Department's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
