## INDEPENDENT AUDITOR'S REPORT

Grayson County Community  
Supervision and Corrections Department  
Grayson County, Texas

### Report on the Audit of the Financial Statements

#### Opinions

We have audited the financial statements of Grayson County Community Supervision and Corrections Department (CSCD), as of and for the year ended August 31, 2025, the combined statement of financial position, the combined statement of revenue, expenditures and changes in fund balance, the combining statement of revenues, expenditures and changes in fund balance – all diversion funds, the individual statements of revenues, expenditures and changes in fund balance – budget, actual and variance for the year then ended, and the related notes to the financial statements, which collectively comprise Grayson County CSCD's basic financial statements as listed in the table of contents.

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of Grayson County CSCD, as of August 31, 2025, and the respective changes in financial position for the year then ended in accordance with the financial reporting provisions of accounting practices prescribed or permitted by the Texas Department of Criminal Justice – Community Justice Assistance Division (TDCJ-CJAD) to demonstrate compliance with TDCJ-CJAD's regulatory basis of accounting as described in Note 1.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Grayson County CSCD and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Emphasis of Matter – Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. As discussed in Note 1, Grayson County CSCD prepares its financial statements using accounting practices prescribed or permitted by TDCJ-CJAD to demonstrate compliance with TDCJ-CJAD's regulatory basis of accounting, which practices differ from accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive. Our opinion is not modified with respect to this matter.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting practices prescribed or permitted by TDCJ-CJAD to demonstrate compliance with TDCJ-CJAD's regulatory basis of accounting. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## ***Auditor's Responsibility for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Grayson County CSCD's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Grayson County CSCD's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Grayson County CSCD's basic financial statements. The supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedules of Differences Between Audit Report and CSCD Reports as Submitted to TDCJ-CJAD are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole on the basis of accounting described in Note 1.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 3, 2026, on our consideration of Grayson County CSCD’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grayson County CSCD’s internal control over financial reporting and compliance.

**Restriction on Use**

Our report is intended solely for the information and use of the management of Grayson County CSCD, others within the organization, and the Texas Department of Criminal Justice - Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

COMMUNITY SUPERVISION  
AND CORRECTIONS DEPARTMENT**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2025

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Reporting Entity**

The accompanying financial statements include the revenue of the Grayson County Community Supervision and Corrections Department (CSCD) related to the receipt of funds administered by the TDCJ-CJAD from state appropriations for the Basic Supervision Fund, Community Corrections funds, Diversion Program Funds, Treatment Alternative to Incarceration Program Grant Funds, local fees collected for the use of the CSCD, and the expenditures of those funds.

The Grayson County Community Supervision and Corrections Department, a special purpose district of State government, was organized to provide certain adult probation services to judicial districts.

**Basis of Accounting**

Since the Department receives funding from state government, it must comply with the requirements of the State. Therefore, the financial statements were prepared using the basis of accounting prescribed by the TDCJ-CJAD, a comprehensive basis of accounting other than generally accepted accounting principles.

Basis of accounting refers to the time at which revenues and expenditures are recognized in the accounts and reported in the statements. The accounts of Grayson County CSCD are organized on the basis of fund accounting, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in a fund based upon the source of the funds and the purposes for which they may be spent and the means by which the spending activities are controlled for the specific activities in accordance with laws, regulations, or other restrictions. Revenues and expenditures of Grayson County CSCD are accounted for using the modified accrual basis of accounting throughout the entire fiscal year.

The modified accrual basis of accounting is followed in that revenues are recorded when susceptible to accrual; i.e., earned, measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities for the current period. Revenues received by October 31 for financial activity performed by August 31 are considered available. Also purchases for which the commitment has been established by August 31 are considered liabilities regardless of whether possession of these goods has been received by August 31 provided that the liability purchase is received and is paid for by October 31. Exception to this method of accounting is the recording of refunds to the State as reductions of Fund Balance.

Funds of the Grayson County CSCD are grouped into the custodial fund type for the purpose of operation on the Grayson County, Texas accounting system. Accounting custodial funds are accounts established for deposit and disbursement of funds which are not controlled through the Grayson County, Texas budget process and are held in purely a custodial capacity.

**Budgets (Accounting and Legal Compliance)**

Pursuant to Government Code, Section 76.004 and 76.002, the budgets governing the funding to the programs are prepared biennially, then approved by the district judges and the criminal court-at-law judges with jurisdiction over the department and by the TDCJ-CJAD.

Only budget adjustment requests, at year end, received by November 30, will be reviewed and approved/disapproved by TDCJ-CJAD. TDCJ-CJAD will not accept any budget adjustments after November 30 for the previous fiscal year. Only budget adjustments approved by TDCJ-CJAD are referred to in performing the financial audit.

## **2. PRIOR PERIOD ADJUSTMENTS**

There were no prior period adjustments for the fiscal year ended August 31, 2025.

## **3. REFUNDS**

The Department did not issue any refunds for the fiscal year ended August 31, 2025.

## **4. BUDGET VARIANCES**

The Department had no unfavorable budget variances that exceeded 15% of the last TDCJ-CJAD approved budget for any program.

## **5. CASH, COLLECTIONS, CHANGE FUND, PETTY CASH AND INVESTMENTS**

Collection or clearing accounts are trust funds and must be covered by pledged collateral to cover the estimated highest daily balance of funds operated in conjunction with or through the county depository by the CSCD.

During the fiscal year audited: The CSCD's state aid and net funds (revenues) received were deposited and held, and collection accounts' remaining net funds (revenues) were transferred into a special fund of the county treasury, on or before the next regular business day, or on or before the fifth business day after the day on which the money was received. All the CSCD's state aid and net funds (revenues) received were held, deposited, disbursed, invested, and otherwise cared for by the County on behalf of the CSCD as the CSCD directed (Government Code 509.011(c) and Local Government Code 113.022 and 140.003 (f)). CSCD employees who have access to, maintain, and administer public funds are covered by a surety bond.

The Department does not maintain any petty cash funds or change funds.

Idle funds are invested only within the depository of the County in a manner that protects the integrity of the principal and guarantees no loss of principal to the CSCD.

**6. FUNDS COLLECTED BY THE CSCD FROM NON TDCJ-CJAD SOURCES WHICH ARE REQUIRED TO BE REPORTED ON THE TDCJ-CJAD QUARTERLY FINANCIAL REPORTS**

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Grayson County Community  
Supervision and Corrections Department  
Grayson County, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the Grayson County Community Supervision and Corrections Department (CSCD) as of and for the year ended August 31, 2025, and the related notes to the financial statements, which collectively comprise Grayson County Community Supervision and Corrections Department’s basic financial statements, and have issued our report thereon dated February 3, 2026.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Grayson County CSCD’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Grayson County CSCD’s internal control. Accordingly, we do not express an opinion on the effectiveness of Grayson County CSCD’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Grayson County CSCD’s financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Grayson County CSCD's financial statements are free of material misstatement, we performed tests of its compliance with certain provision of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Grayson County CSCD's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Grayson County CSCD's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of the Grayson County CSCD, others within the organization, and the Texas Department of Criminal Justice – Community Justice Assistance Division and is not intended to be and should not be used by anyone other than these specified parties.

Texas Government Code, Section 76.004, effective September 1, 2001 allows the judge(s) as described by Government Code section 76.002 the option to appoint a fiscal officer, other than the county auditor, to be responsible for the following: Managing and protecting funds, fees, state aid, and receipts to the same extent that a county auditor manages county funds and funds of other local entities; Ensuring that financial transactions of the department are lawful and allowable; and Prescribing accounting procedures for the department.

1.           Did the fiscal officer follow the applicable laws, guidelines, and duties as specified on Fiscal Officer section of the FMM?

#### **Credit (Procurement) Cards, FMM, Internal Controls, Separation of Duties, Credit Cards (Question 2)**

CSCDs may obtain a credit (procurement) card in the CSCD’s name for official use only. Charges to the CSCD credit card for personal items shall not be allowed, even if promptly reimbursed. If a credit card is maintained by the CSCD for official expenditures, the CSCD shall maintain a written policy regarding credit card use by employees, which must include authorization and documentation procedures.

2.              If the CSCD has a credit (procurement) card for official CSCD use, does the CSCD follow a written policy regarding credit card use by employees including authorization and documentation procedures?

All expenditures from the CSCD’s matching funds shall be in accordance with the FMM, Allowable and Unallowable Expenditures.

4.              Was cash matching properly authorized, budgeted, and expended?

**FINANCIAL STATEMENTS** (Questions 5-11)

*An explanation is required in the corresponding note of the Notes to the Financial Statements and in the Schedule of Findings and Questioned Costs if questions 5, 7, 9, and 11 are answered NO. All sources identified in questions 6, 8, & 10-11 are required to be reported on their designated line item of the audited financial statements and in their corresponding note. See note for further instructions.*

5.   Were expenditures and revenues supported by adequate documentation?

**Interfund Transfers; FMM, Financial Reports, Additional Reporting Requirements** (Questions 6-7)

CSCDs cannot end a fiscal year with a negative fund balance in any program. Any negative fund balances in CC, DP, or TAIP must be covered by an interfund transfer from Basic Supervision.

Basic Supervision can transfer funds to CC, DP, and TAIP. CC can transfer funds to DP and TAIP. Basic Supervision cannot receive funds from any programs unless those programs are returning funds they received from Basic earlier in the fiscal year. Transfers from DP and TAIP can only go to CC if returning funds received from CC earlier in the fiscal year. Transfers between CCs are not allowed; they should be done by increasing/decreasing state aid. Apart from returning unused funds, transfers cannot come from DP (even to/from another DP program) unless approved by the TDCJ-CJAD Division Director.

6.   Did the CSCD have any interfund and/or DP fund transfers in the fiscal year audited?

7.    If any, were all interfund and/or DP fund transfers allowable?

**Deobligations, Government Code, Chapter 509, Section 509.011 (h), FMM, Deobligations** (Questions 8-9)

Government Code, Chapter 509, Section 509.011 (h), allows CSCDs to deobligate any unencumbered state funds held by the department during a fiscal year (Basic Supervision, CC, DP, and TAIP). Deobligations are a reduction to state aid for funds that are in excess of the amount needed to operate the programs for the remainder of the year and are not to be reported as a refund.

8.   In the fiscal year audited, did any deobligation of funds occur because of an excess of funds allocated to programs?

9.    Were the appropriate budget adjustments made for any reallocated funds?

**Budget Variances, FMM, Budgets** (Question 10)

*All budget variances identified in the budget variance statements are to be reported in the Budget Variances note of the notes to the financial statements, see note for further instructions. If any budget variances in excess of the 15% rule, they are required to be reported in the Schedule of Findings and Questioned Costs.*

Expenditure line-item differences over 15% of the last TDCJ-CJAD approved budget within each individual program for the fiscal year audited.

10.   Were any unfavorable budget variances in excess of the 15% rule identified in the Individual Statement of Revenues, Actual, and Variance for the fiscal year audited?

**Prior Period Adjustments, FMM, Financial Reports, Additional Reporting Requirements** (Question 11)

Adjustment to beginning fund balance because of corrections and/or reporting adjustments to the general ledger of prior fiscal years, **not prior quarters of the current fiscal year**. This amount does not include prior-year refunds.

11.    If the CSCD had any **prior period adjustments** resulting from accounting corrections or reporting adjustments to the general ledger for the prior fiscal year(s), were they properly reported as prior period adjustments on the quarterly financial report in the corresponding quarter during which they were identified?

**BASIS OF ACCOUNTING** (Questions 12-14)

*An explanation is required in the Basis of Accounting portion of the Notes to the Financial Statements and in the Schedule of Findings and Questioned Costs if questions 12-14 are answered NO.*

**Basis of Accounting Requirements, FMM, Fiscal Officer, Duties of the Fiscal Officer / Financial Reports, Basis of Accounting** (Questions 12-14)

*FMM, Fiscal Officer, Duties of the Fiscal Officer:* Managing and protecting funds, fees, state aid, and other receipts of money. Each program is to be maintained utilizing a separate self-balancing set of financial books and accounting records in accordance with proper fund accounting.

*FMM, Financial Reports, Basis of Accounting:* Although CSCDs are encouraged to use the modified accrual basis of accounting for each quarter, the first, second, and third quarter reports may be prepared on the cash basis method of accounting. The fourth quarter report, which closes out the fiscal year, must be prepared on the modified accrual basis of accounting.

For the CSCD to report an accrual, as of August 31<sup>st</sup> on the fourth quarter report, TDCJ-CJAD requires that the expenditures be paid, and the item received by October 31<sup>st</sup>.

12.   Was separate accountability maintained for TDCJ-CJAD funds, i.e., fund accounting of self-balancing funds?
13.   Was the modified accrual basis of accounting used in preparing the fourth quarter reports for submission to TDCJ-CJAD?
14.   Were proper cutoff procedures observed at the end of each fiscal period? *The cutoff date for revenue recognition and expenditure payments is **October 31<sup>st</sup>, of the fiscal year audited.***

**FUNDS COLLECTED FROM NON TDCJ-CJAD SOURCES WHICH ARE REQUIRED TO BE REPORTED ON THE TDCJ-CJAD QUARTERLY FINANCIAL REPORTS** (Questions 15-24)

*An explanation is required in the Funds Collected from Non TDCJ-CJAD Sources Which are Required to be Reported on the TDCJ-CJAD Quarterly Financial Reports note of the Notes to Financial Statements and in the Schedule of Findings and Questioned Costs, if questions 15-16, or 24, are answered NO or 18-19, or 22-23 are answered YES.*

*If any of the fees identified in questions 17, 20, and 21 were collected, they **are required** to be reported in the Funds Collected from Sources Other Than TDCJ-CJAD Which are Required to be Reported on the TDCJ-CJAD Quarterly Financial Reports note of the Notes to Financial Statements.*

15.   Were TDCJ-CJAD funds and locally generated revenues expended in accordance with the FMM, Special Grant Conditions, and applicable laws?
16.   Were locally generated funds and other collections documented with a proper receipt system, and can they be traced to probationers' accounts, bank deposits, and statements?

**Administrative Fees, Texas Government Code Section 76.015c, FMM, Statutory Requirements** (Questions 17-19)

Government Code Chapter 76 Community Supervision and Corrections Departments Section 76.015c states: A department may assess a reasonable administrative fee of not less than \$25 and not more than \$60 per month on an individual who participates in a program operated by the department or receives services from the department and who is not paying a monthly fee under Article 42A.652, Code of Criminal Procedure (i.e. Community Supervision Fees).

YES NO N/A

17.   Did the CSCD collect any **administrative fees of \$25-\$60** from **offender and/or non-offender individuals** who either participate in a TDCJ-CJAD funded program or receive services from the department and who are not paying a monthly fee under Articles 42A Code of Criminal Procedure (i.e., Community Supervision Fees)?
