

GUEST AND VOLUNTEER INFORMATION – 2024

Please help us keep the magic going!

Grayson County Holiday Lights at Loy Lake Park promises a magical experience for families, featuring a stunning drive-through holiday light display. This wonderful event's success hinges on the dedication of our volunteers. Volunteers will play a pivotal role by manning the donation shed and spreading cheer by distributing suckers and dog treats to our visitors. They will also graciously collect donations from the public, which ensures the return of our captivating display year after year.

To facilitate their efforts, volunteers will be equipped with reflective vests and provided with hot drinks and all necessary supplies for their shifts. They will be stationed outdoors, so it's important for volunteers to dress appropriately for the weather and wear comfortable shoes or boots, considering the possibility of cold and windy nights. While reflective vests will be available, volunteers are encouraged to bring their own bright-colored or reflective outerwear.

Convenient parking will be provided at the top of the hill next to the Eisenhower statue and flagpoles, specifically designated for volunteers. Additionally, security personnel will be present to assist with managing the entrance and exit facing North Loy Lake Road, ensuring a safe and enjoyable experience for all.

2024 Holiday Lights Season is from Friday, November 29 – Wednesday, December 25. Drive through is open every night from 5:30pm to 10:00pm.
