

# Fire Prevention Inspections

---

The office of the Grayson County Fire Marshal will perform Fire & Life Safety Inspections for commercial businesses, residential, foster and adoption families in Grayson County upon request by the property owner at no cost. We also provide courtesy residential fire inspections upon request at no charge.

Grayson County does not have an adopted Fire Code. The State of Texas has adopted the 2015 Life Safety Code for areas without an adopted Fire Code.

Please contact our office for more information.
